

Pharmacists Professional Fee Schedule

Pharmacist Groups in-network with CareFirst BlueCross BlueShield Community Health Plan Maryland (CareFirst CHPMD) may bill, within their lawful scope of practice, the following billing and coding information:

Contraceptive evaluation and management

99211: Office or other outpatient visit for the evaluation and management of an established patient that may not require the presence of a physician or other qualified healthcare professional (for contraceptive purposes only).

99202: Office or other outpatient visit for the evaluation and management of a new patient, which requires a medically appropriate history and/or examination and straightforward medical decision making. When using time for code selection, 15-29 minutes of total time is spent on the date of the encounter (for contraceptive purposes only).

Immunization administration

N/A; 90460: Bill to FFS, not the MCO. Immunization administration through 18 years of age of free vaccines via the Vaccines for Children (VFC) program.

Medication Therapy Management (MTM)

99605: MTM new patient (8-15 minutes)

99606: MTM established patient (8-15 minutes)

99607: MTM additional (8-15 minutes)

Non-Immunization Medication Administration

96372: injection of drug under the skin into the muscle

Smoking Cessation Counseling

99406: smoking cessation counseling visit 3-10 minutes

99407: smoking cessation counseling visit greater than 10 minutes
